COMFORTABLE UTILITY SEAT CUSHIONS

NEW *Dual Tone designs for
best looks and comfort*

MAXIMUM COMFORT

Easy Care Materials

Adjustable Lumbar Support

Great Body Weight Distribution

Helitowcart's Heli-Cushions are ideal for those tough mining, firefighting, hunting or fishing missions. Designed for easy care and quick installation, they are the perfect choice for busy mechanics !

The cushions were created for those spending long days in flight. Crew seats are made of multiple foam layers to provide optimal body support. The seats are equipped with an energy absorbent top foam layer for ischial relief and comfort foam to support body weight. They are also fitted with an adjustable lumbar support system for maximum ergonomy.

In addition to the comfort of the seat cushions, all cushion foam bases are coated with a fire retardant readily identifiable with it's dark grey color.

Meet elegance and comfort at unmatched affordability with Helitowcart's Heli-Cushions!

HC-EMB

Robinson R44 Replacement Cushions

HC-44-COVER

Robinson R44 Seat Covers Kit (4 covers)

Change your seat covers for a brand new look. Perfect for overhauls and people looking to refresh the interior of their R44. Available in single and dual tone fabrics. Kit includes covers for front and rear seats.

Note: the foams and head rests are not included. See HC-44-FOAM and HC-44-HR

Compatible with R44

PART ORDERING	
HC-44-COVER-F03	R44 Seat Covers in Black Synthetic Leather (4 covers)
HC-44-COVER-F04	R44 Seat Covers in Ash Synthetic Leather (4 covers)
HC-44-COVER-F05	R44 Seat Covers in Beige Synthetic Leather (4 covers)

HC-44-COVER-F33	R44 Seat Covers in Beige Synthetic Leather (Outer) and Black Polyester (Inner) (4 covers)

HC-44-HR

Robinson R44 Head Rest Covers (2 covers)

The front seats of many R44s are equipped with a bar and head rest. The Heliowcart head rest cover is designed to provide a uniform look with the R44 seat covers. Kit includes 2 head rest covers.

Note: the head rest foam is not included. We recommend using the original foam.

PART ORDERING

HC-44-HR-F03	R44 Head Rest in Black Synthetic Leather
HC-44-HR-F04	R44 Head Rest in Ash Synthetic Leather
HC-44-HR-F05	R44 Head Rest in Beige Synthetic Leather

HC-44-FOAM

Robinson R44 bottom seat foams

The R44 bottom seat foams are the perfect choice for people looking for maximum comfort or to replace old foams that have lost their firmness. The combination of memory foam and comfort foam allows body weight to be well distributed for those long hours behind the cyclic.

The foams are also protected with a special fire retardant coating to ensure maximum fire retardancy.

Kit includes 4 bottom (buttuks) foams. We recommend re-using your existing back foam cushions as they usually keep their firmness.

PART ORDERING

HC-44-FOAM	4 x R44 buttocks foams
